I would have a hot tub. I would have a hot boyfriend. I would have a baby puppy her name would be Lily.

There would be no school if kids ruled the world. I would have a cell phone. I would be able to drive and I would be 16. I would have a real microphone. I would have a cute dress. I would have a golden bed. I would be rich. I would have a baby kitty. I would have a guitar and it would be pink with stripes.

My favorite holiday. My favorite holiday is Christmas. Because it is our savior's

Birthday and who does not love are savior. Because we get presents and I love presents. Because we get candy

And we get to put out cookies for Santa. If it snows we get to go play in the snow. I get to go all of my family members.

If Kids Ruled the World by: Katherine

I know I am a kid but if kids did rule the world I would run for my life. I do not want the world made out of candy. Would you want the world out of candy? It would be scary because there would be gummy bears everywhere. I just hope they make good choices. I want them to make the world a better place to live and grow make us happy kids around the world.
